

# Smart Card Savings Cards are here.

## Get yours today!

### Parents,

We are happy to announce we will be offering the **Smart Savings Card** again this year. The Smart Savings Card is a wallet-sized card with over 100 area businesses offering substantial discounts plus great bonus coupons. The card is valid for one year, so, you could potentially save hundreds of dollars by using it throughout the year. We hope you will support your child's school and get your card for a **donation of \$20.00** to begin saving today.

The money raised will go to support your child's teacher. Two lucky teachers could win touch screens for their classroom. Help your child's teacher win a touch screen for her classroom and your child will collect fantastic prizes.

Here is how to begin:

- You should have an order form, collection envelope, and a prize sheet.
- Ask family, friends, neighbors, and co-workers to purchase cards.
- Fill out the order forms on the back of the flyer
- Collect **\$20.00 per card** (Make checks payable to Browns Chapel Elementary)
- Return order form and money in the enclosed envelope to your child's teacher. (Orders will be filled on Tuesdays and Thursdays each week.)
- Please return all orders as promptly as possible. (Deadline is August 23)

New this year is the "**Text to Pay**" feature with any credit or debit card. Refer to the take home flyer for the code.

*We need everyone to help us out. So, get ready, set, **SELL!***

Thank you for your support,

Mary Guimbellot
