

# Spring 2021 Book Fair News

- Our in-school fair will be **Friday, March 12- Friday, March 19**. Online fair is **March 10-19**. The website is <http://www.scholastic.com/bf/brownschapelelementary>
- Students will only come to the book fair during their scheduled library rotation. They may also place an order for books by filling out the order form below. Families may use the document that I will send out with photos of all the cases once the fair is set up. Those orders will be filled by BCE staff each day. (If we are waiting for a restock of titles, we will fill the order when the books are delivered. If something sells out and cannot be restocked, parents will be notified so they can adjust the order.)
- Students will have the option of online shopping and books will be delivered to their homes.
- There is adequate space in the BCE Library to spread out cases to allow for social distancing when students come with their class to view the fair.
- A document will be sent out through our school **DOJO** prior to the fair with **photos** and **prices** of all the books (**including tax**) so families can shop together at home if they prefer that instead of online ordering.
- Students may bring cash or check to school. The preferred payment is eWallet because there is no transferring of paper.
