

Spring 2022 Book Fair News

- Our **in-school** fair will be **Friday, March 11- Friday, March 18**. Our **online** fair is **March 11-23**. The website is <http://www.scholastic.com/bf/brownschapelelementary>
- Students will only come to the book fair during their scheduled library rotation. They may also place an in-school order for books by filling out the order form on the back of this note. Families may use the document that I will send out with photos of all the cases once the fair is set up. Those orders will be filled by BCE staff each day. (If we are waiting for a restock of titles, we will fill the order when the books are delivered. If something sells out and cannot be restocked, parents will be notified so they can adjust the order.)
- Students will have the option of online shopping and books will be delivered to their homes.
- A document will be sent out through our school **DOJO** prior to the fair with **photos** and **prices** of all the books (**including tax**) so families can shop together at home if they prefer that instead of online ordering. The document will also be on the BCE website.
- Students may bring cash or check to school or use eWallet. **If you must send a check, please DO NOT fill in the amount. Instead, attach a note with a Do Not Exceed amount. This helps keep our books correct .**
